Summary

I'm Mohammad Sami, a Digital Marketing, SEO, GEO & AEO expert with 6+ years of experience. I specialize in Technical, On-Page & Off-Page SEO, WordPress, and modern JS frameworks. I've driven 30-40% organic traffic growth across niches and successfully led complex site migrations (e.g., CMS Website $\rightleftharpoons$ Custom Website) with full SEO recovery after 25% traffic loss. I focus on tailored strategies that boost visibility, local reach, and long-term results.
